

Dear Parents,

I'm writing to see if you all are doing well. We all miss you terribly and hope to see you all soon. Although it's quite uncertain time for everyone and I just wanted to reassure that we will get through this together, **this too shall pass**. We are here to support the students as well as yourself so please do not hesitate to contact us through these challenging time.

I understand this may be a particularly difficult time for our Hedgehog students, remember our children can understand and often take their emotional cues from us adults. So, how you respond to the situation is very important. Try to keep a certain routine; it gives our children an increased feeling of safety in the context of uncertainty especially if they're not at school.

Please find some useful information, a tool kit for you to use at home. Take this as an opportunity to spend some quality time with your children and I look forward to the day we see each other again.

Finally, a big virtual hug to all my lovelies!

Best wishes,

Mrs Khan.
