

27th April 2020

Dear Badger Class,

Did you hear about the new hospital they have built in London called the Florence Nightingale Hospital! We learnt lots about Florence Nightingale last term and how she helped wounded soldiers. I have enjoyed learning lots of new things when I have been at home, I hope you are learning new things too! When I have been in school the teachers have been showing me all the amazing treats they have been learning to bake at home! Have you made any delicious treats whilst you have been off?

I hope you and your families are all doing well and are enjoying the beautiful weather. Remember when it gets hot to drink lots of water and stay hydrated! Also make sure you are helping your parents at home and using your Growth Mindset to continue to challenge yourself daily.

Miss Carlisle has been checking all those fantastic children who have been challenging themselves and using their online learning tools like MyMaths, Bug Club and TT Rockstars to keep their brain growing stronger. From Monday 27th April you will all be able to do your amazing learning on Google Classrooms. Miss Carlisle and all the other teachers will be setting work there and we look forward to seeing all the amazing home learning that you are doing. If you do need any help your parents can email me on upy12lfp@theparkfederation.org. All the instructions on how to use Google Classrooms is on our school website.

I am missing you lots at school. It always cheers me up when I get to see all of your smiling faces in school and I look forward to seeing those again soon! I have been trying to stay fit and active during my time at home. I have been walking Max and Marley every day to different places where I live. Their favourite place to go is to the river or pond so they can swim!

Mrs Kerai has been celebrating her birthday whilst we have been off. She has been spending time with her children in the garden. Ms Chana has been riding her bike and keeping fit when she is not helping us in school!

Wishing you all the best,

Miss Carlisle, Mrs Kerai and Miss Chana
