Dear Grasshopper Class ,

I am writing to you to make sure you are all keeping well and safe with your

families at home. I want you to know I am thinking of you and miss you all very much. I cannot wait to hear about the home learning you have

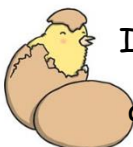

been doing, I am sure you are all working hard and trying your best.

It is hard not seeing all your happy faces in school, but I am sure you are doing lots to keep smiling at home.

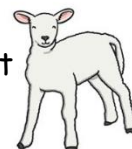

I am so pleased to see so many of you logging onto Bug Club and accessing your books online. Well done and keep up the hard work!

I know it is different doing your learning at home but keep on going, you all doing so well.

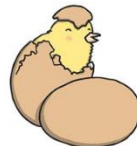

I would like for you to enjoy listening to What the Ladybird Heard Next story. I have shared a link below where you can listen to the story.

Keep smiling and laughing
