Monday 27th April 2020

Dear Rabbit Class,

You didn't think I was only going to write you one letter, did you?

Well I hope you've all had a good two weeks break and are ready for our Summer 1

term. You may have already heard about Google Classroom. I am very excited for us to

start using it. I will be available to answer all your questions and have chats with you

while completing our learning and lovely activities. I have noticed that some of you

have been reading on Bug Club and completing your tasks on MyMaths. Please keep

doing this as the more you learn the more you will know.

Miss you all a lot!

Please continue to stay safe. Catch up with you all on Google Classroom from Monday 27th April.

Mrs Adams
