Dear Marvellous Mole Class,

Wow! It's hard to believe it's May already! It's been 6 weeks since I've seen your lovely smiles and I am missing you a lot. It has been so wonderful to be able to hear from so many of you on our new Google Classroom. I really hope to see and hear from a few more of you on there over the next week. Remember though, if you can't access it for some reason, you can always write me a letter and send it to year1fp@theparkfederation.org. I'd love to hear about what you've been up to - your learning and what you're doing to relax and enjoy yourselves!

Those of you on Google Classroom will know I am enjoying exploring my local area on my daily walks. In fact, my husband and I found a new area full of beautiful bluebells the other day (they're my favourite flower!) - have a look at my photo! Then we got home to find that the ducks from our local pond had come to say hi (from a good social distance of course!) - how funny!

Have a wonderful weekend, say hi to your families for me and I hope to hear from you all next week!

Mrs Blair 😊
