

LAKE FARM PARK ACADEMY

Dear Parents/Carers,

8th July 2020

Summer School Catch-Up Programme for Year 5 Pupils

We are delighted to invite your child to our Summer School Catch-Up Programme.

The purpose is to help your child learn and catch up on the learning missed during school closure. It is also a safe place to meet their new year 6 teachers.

The day will include a morning of intense maths and English lessons including comprehension and grammar to specifically support the year 5 pupils to transition to year 6. This will allow them to excel in their SATs and to be secondary ready.

The lessons will be led by their year 6 teachers and other teachers within the school.

Each class will have a small group of 15 children to allow the teachers to focus on each child's needs and also to support with social distancing measures.

The afternoons will include sports, music and art on allocated days only. If your child is staying behind for the afternoon on the allocated days they must bring their packed lunch and bottles of water (as the water fountains are turned off).

Please see the provisional timetable

9.00 am-10.00 am Reading Comprehension

10.00 am -10.30 am Arithmetic

10.00 am -11.00 am Maths
