

Year Group: 1
Half term: Summer 1

English

In English this term we will recap our learning on:

- 1) Developing our reading skills
- 2) Sentence writing using all our writing cues
- 3) Retrieving information from a story we read to answer comprehension questions

Seaside

The big question:

Where should I go for my Summer holidays?

Our topic this half term is seaside! In this unit we will be learning about how seascides have changed from the past compared to the present.

Please refer to the topic project resource for the activities.

PE

Please continue to use Joe Wicks to keep yourselves active.

Science

This term is all about materials. Children will be finding objects around the house and classifying them by material and then by property.
