

Dear parents/carers,

Final newsletter of the 2024-2025 academic year ends with a tribute poem to our Year 6 leavers:

Leaving Primary school is over now with high school coming fast; I have to tell you this last year has simply been a blast.

Shortly you'll be moving on to somewhere fresh and new; this school will be so different when we do not have you.

We've watched you grow and turn into the person that you are; to read and write and count with ease, you simply are a star!

We want you to remember, a message from us all; live your life and chase your dreams, whether big or small..

You are unique and wonderful and sadly, will be missed; so grab life and forever hold it tightly in your fist.

Goodbye from us and thank you as it has been so much fun; remember you are special and you're simply number one!

The Year 6 students have shown real grit, determination and resilience through the year, tried their very hardest in the Key Stage 2 Sats and have produced remarkable results! We, the primary school staff have nurtured, supported, taught and coached you all to now go forward as you move on to the next phase of your learning in secondary - Good luck and always keep Aiming High!

This year LFPA pupils have achieved outstanding results at national data points ie Phonics Test Check for Year 1, Multiplication Tables Check for Year 4 and Key Stage 2 Sats for Year 6. I am really proud of the staff who have worked really hard to produce these great results! Heartfelt gratitude to the pupils and families who have been working together with the school to ensure these successful outcomes!

Next year's class teachers' names and term dates are in the following pages.

On behalf of the pupils, staff, governors and families I would like to show our appreciation for the staff who will be leaving us at the end of the term—Mr Whynn (PSD coach), Mrs Ellis, nursery nurse and Miss. Kelly, LSA. We would like to wish them all the best!

The last day of this school year is on Friday, 18th July 2025 and all children should be collected by 2.00 pm. Children return to school on Thursday 4th September 2025 at 8.45 am.

FINALLY on behalf of the governors and staff, I would like to wish all pupils and families **HAPPY HOLIDAYS!**

Ms. H. Buttar

Attendance Reminders

Lake Farm Park Academy has high expectations for every student from the moment they join our school. Children have the right to a high quality education and we provide this at Lake Farm Park Academy. High attendance is necessary to ensure that your child benefits fully from the learning opportunities on offer and to ensure they leave school having developed positive lifelong habits and as well rounded individuals.

Medical Appointments

Appointments, where possible, should be made outside of school hours or in the holiday period. This includes routine dental appointments. If this is unavoidable, your child should still attend school before or after the appointment where possible. Any session missed that was deemed reasonable to attend will be marked as unauthorised leave.

Absence Requests

Absence requests will only be considered for exceptional circumstances and these are dealt with on an individual basis.

What to do if your child cannot attend school:

Absence must be reported on a daily basis. You must contact the school (**before 9.00am**) on the first day of absence. This can be done by emailing

lfpaoffice@theparkfederation.org or by calling the school number 02085732622 option 1. Please leave the Child's name, class and the reason why they cannot attend school. If they are ill, please give a clear explanation of their condition. **For a prolonged absence due to illness, medical evidence will be requested.** This can be in the form of a prescription, medical paperwork or an appointment card/letter.

We understand the importance of regular dental check-ups for your child's well-being. However, we kindly request that non-emergency dentist appointments be scheduled during half-term breaks or after school hours whenever possible.

Our primary concern is to minimise disruption to your child's education during school hours. We can ensure that your child's learning experience remains uninterrupted by scheduling appointments outside of school time.

We appreciate your cooperation and understanding in this matter. Should you have any questions or concerns, please don't hesitate to contact us.
