

Dear parents/carers,

This is the final week of Summer 1 Term and we will have a short break for one week before the students return to school on Monday 1st June 2026. There are many activities you can engage your child/ren in for eg designing and creating fabulous costumes using recyclable and waste materials for our Sustainability Dress Up Day on Thursday 4th June 2026! I look forward to seeing the amazing and creative designs in our very own LFPA Fashion Show!

Year 4 students are preparing for their Multiplication Tables Check. The purpose of this test is to determine if students can recall their times tables fluently, which is essential for future success in Mathematics. We have to build on 2023 year's success of being in the top 1% of schools in England as well as last year's average pupil score of 24.8! Year 1 students (and a small number of Year 2 students who didn't pass their Phonics Check last year) will also be taking part in the Phonics when we return. The staff and I would be really grateful if the parents/carers of students in Year 1 and Year 4 could help their child/ren with the preparations during the half term break.

As the weather gets warmer, children bring water bottles to school, however a few children have been bringing inappropriate water bottles which leads to behaviour incidents. Please see the next page for appropriate water bottles for school.

We would like to wish Mrs Patel, the Year 2 class teacher and YTL all the very best as she finishes today to commence her maternity leave—looking forward to meeting the little baby soon! Have a good half term break everyone!

MS H BUTTAR

As the weather gets warmer, children bring water bottles to school, however a few children have been bringing inappropriate water bottles which leads to behaviour incidents.

Attendance Reminders

Lake Farm Park Academy has high expectations for every student from the moment they join our school. Children have the right to a high quality education and we provide this at Lake Farm Park Academy. High attendance is necessary to ensure that your child benefits fully from the learning opportunities on offer and to ensure they leave school having developed positive lifelong habits and as well rounded individuals.

Medical Appointments

Appointments, where possible, should be made outside of school hours or in the holiday period. This includes routine dental appointments. If this is unavoidable, your child should still attend school before or after the appointment where possible. Any session missed that was deemed reasonable to attend will be marked as unauthorised leave.

Absence Requests

Absence requests will only be considered for exceptional circumstances and these are dealt with on an individual basis.

What to do if your child cannot attend school:

Absence must be reported on a daily basis. You must contact the school (**before 9.00am**) on the first day of absence. This can be done by emailing

lfpaoffice@theparkfederation.org or by calling the school number 02085732622 option 1. Please leave the Child's name, class and the reason why they cannot attend school. If they are ill, please give a clear explanation of their condition. **For a prolonged absence due to illness, medical evidence will be requested.** This can be in the form of a prescription, medical paperwork or an appointment card/letter.

We understand the importance of regular dental check-ups for your child's well-being. However, we kindly request that non-emergency dentist appointments be scheduled during half-term breaks or after school hours whenever possible.

Our primary concern is to minimise disruption to your child's education during school hours. We can ensure that your child's learning experience remains uninterrupted by scheduling appointments outside of school time.

We appreciate your cooperation and understanding in this matter. Should you have any questions or concerns, please don't hesitate to contact us.

Key Dates

Important dates :

25th May 2026 to May 30th 2026—Half Term Holidays

8th to 10th June 2026—Year 6 Residential trip

LFPA guidance for accidents and illnesses

Phone call to parent/career 	Allergic reaction. Higher usage of prescribed inhaler. Severe injury. Severe head lice infestation Persistent toothache/earache High temperature Vomiting Diarrhea (loose motions) All bumps to the head Leg, arm or hand not mobile
Accident slip 	Minor injury • Cuts, bruises, bumps. • Swelling of the joints. Insect bite. Loss of tooth due to an accident in school. Removal of clothing to inspect injury. Nosebleed due to accident in school
No accident slip 	Splinter removed with no visible mark Grazed area with no visible mark but cleaned with medical wipe or cold compress Paper cut plaster applied Cold compress applied/ice pack. No visible mark Sharp pencil gone into an area of the skin. Existing injury from home. Wobbly Tooth fallen out naturally (no accident). Nosebleed due to natural causes (no accident).

- Depending of the severity of the event, Welfare team will make a judgement and call the parent/career.
- No action will be taken if the child has not informed any adult of an accident or incident.
- In some cases we will not be able to share the details of the accident as this has not been shared with the Welfare team by the child.
- In the case of vomiting or loose motions, the child can return to school only 24 hours after their last sickness or loose motion.
- The Welfare team are not medical professionals and we strongly encourage you to seek medical advice where appropriate.
- **FOLLOW ALLERGY PLANS / INDIVIDUAL HEALTH CARE PLAN IN CLASS ROOM.**

Welfare slip for when an inhaler has been used to notify asthma clinic as Lake Farm is an asthma friendly school
