

Dear parents/carers,

Final newsletter of the 2025-2026 academic year ends with a tribute poem to our Year 6 leavers:

*Remember the day that you first walked through the door?
With coats far too long and your shoes on the floor,
A bit small, a bit quiet, with tags on your bags,
Playing nervous first games of playground tag.
Now look at you standing—tall, confident, bright,
Ready to soar and take off into flight.
You've mastered the fractions, the grammar, the art,
And left your own mark on this school and its heart.
Through SATs and assemblies, through rain and through sun,
Through sports days and trips and a whole lot of fun,
You've grown into leaders, the kings of the hall,
The big kids who used to feel ever so small.
Now secondary beckons with corridors wide,
A world full of choices and wonders inside.
New timetables, lockers, new subjects to try,
As primary school waves a proud final goodbye.
So pack up your memories, the laughter and cheer,
And take all the friendships you've built over years.
Be brave and be curious, be kind and be bold,
As the next brilliant chapter of life starts to unfold.
To the Class of Year 6: You came, you learned, you conquered.
Good luck in secondary school—you're going to thrive!*

The Year 6 students have shown real grit, determination and resilience through the year, tried their very hardest in the Key Stage 2 Sats and have produced remarkable results! We, the primary school staff have nurtured, supported, taught and coached you all to now go forward as you move on to the next phase of your learning in secondary - Good luck and always keep Aiming High! This year LFPA pupils have achieved outstanding results at national data points—Good Level Development in Reception (80%), Phonics Test Check for Year 1 (90%), Multiplication Tables Check for Year 4 (24.9 average out of possible 25) and Key Stage 2 Sats for Year 6 (Reading 85%, Writing 82%, Maths 91%, GPS 92%). I am really proud of the staff who have worked really hard to produce these great results! Heartfelt gratitude to the pupils and families who have been working supportively with the school to ensure these successful outcomes! Last year LFPA was top in 84 Hillingdon schools for the Disadvantaged RWM outcomes of 85%! Next year's class teachers' names and term dates are on the following pages. The last day of this school year is on Friday, 17th July 2026 and all children should be collected by 2.00 pm. Children return to school on Monday 7th September 2026 at 8.45 am. FINALLY on behalf of the governors and staff, I would like to wish all pupils and families HAPPY HOLIDAYS!

Attendance Reminders

Lake Farm Park Academy has high expectations for every student from the moment they join our school. Children have the right to a high quality education and we provide this at Lake Farm Park Academy. High attendance is necessary to ensure that your child benefits fully from the learning opportunities on offer and to ensure they leave school having developed positive lifelong habits and as well rounded individuals.

Medical Appointments

Appointments, where possible, should be made outside of school hours or in the holiday period. This includes routine dental appointments. If this is unavoidable, your child should still attend school before or after the appointment where possible. Any session missed that was deemed reasonable to attend will be marked as unauthorised leave.

Absence Requests

Absence requests will only be considered for exceptional circumstances and these are dealt with on an individual basis.

What to do if your child cannot attend school:

Absence must be reported on a daily basis. You must contact the school (**before 9.00am**) on the first day of absence. This can be done by emailing

lfpaoffice@theparkfederation.org or by calling the school number 02085732622 option 1. Please leave the Child's name, class and the reason why they cannot attend school. If they are ill, please give a clear explanation of their condition. **For a prolonged absence due to illness, medical evidence will be requested.** This can be in the form of a prescription, medical paperwork or an appointment card/letter.

We understand the importance of regular dental check-ups for your child's well-being. However, we kindly request that non-emergency dentist appointments be scheduled during half-term breaks or after school hours whenever possible.

Our primary concern is to minimise disruption to your child's education during school hours. We can ensure that your child's learning experience remains uninterrupted by scheduling appointments outside of school time.

We appreciate your cooperation and understanding in this matter. Should you have any questions or concerns, please don't hesitate to contact us.
