

ISSUE -4 - NOVEMBER 2021-2022

Hello everyone! As the days are getting colder can I request that parents/carers please ensure that your child/ren come to school with their coats, gloves and hats to keep warm. I am most impressed by the parents/carers who ensure their children come to school for their morning boosters or stay behind for after school ones too. The teachers and support staff are extremely committed and volunteer their time for these booster sessions so it makes me really proud that the whole of Lake Farm Park Academy and it's community are Learning, Achieving, Aspiring Together!

Next week it is end of term assessments where pupils will be sitting their Pira, Puma, Phonics and Y6 tests. This would help to check the progress pupils have made and identify gaps in their learning. Teachers will share the test results at the Spring parents evening, or if you would like to know sooner, please approach your child's class teacher at the end of this term. Warm regards

Ms. H. Buttar

Attendance Reminders

Lake Farm Park has high expectations for every student from the moment they join our school. Children have the right to a high quality education and we provide this at Lake Farm Park Academy. High attendance is necessary to ensure that your child benefits fully from the learning opportunities on offer and to ensure they leave school having developed positive lifelong habits and as well rounded individuals.

Medical Appointments

Appointments, where possible, should be made outside of school hours or in the holiday period. This includes routine dental appointments. If this is unavoidable, your child should still attend school before or after the appointment where possible. Any session missed that was deemed reasonable to attend will be marked as unauthorised leave.

Absence Requests

Absence requests will only be considered for exceptional circumstances and these are dealt with on an individual basis.

Students requiring a day off for religious observance must fill in an absence request form in advance, this must be a day that has been exclusively set apart for religious observance by the religious body to which the student belongs. Retrospective requests for absences will not be authorised.
