

## ISSUE -4 - NOVEMBER 2021-2022

Hello everyone! I would like to wish all pupils and families the following—Happy Diwali! Happy Deepavali! Happy Bandi Chor Divas! It has been a few weeks of celebrations since the last newsletter.

Continuing in this spirit I would like to say how delighted the staff and I were with our ‘Culture Week’ celebrations which culminated on Friday 5th November with everyone dressed to represent their family’s cultural background or the country they had been focusing on during the week.

I would like to say a big well done to Eva JT and Laerta D in Year 6 for representing the school at the first ever ‘Children’s Parliament’. This largest virtual gathering of school pupils discussed climate change for COP26 delegates to consider. It was reported in the newspapers and a recording is available too:

Finally a heartfelt thank you to the pupils, teachers especially our Maths Lead, Mr McElwee and parents for their amazing determination and drive with the England Rocks TTRS competition! Lake Farm Park Academy were 51st spot out of over 1000 schools in England and 15th position out of over 300 London schools. Onwards and upwards LFPA!

Warm regards- *Ms. H. Buttar*

### Culture Week Update

Fareedah- 2F- “Peru is in South America. I liked colouring in the Llamas and wearing my special outfit.”

Hirah- 3CC- “We shared our outfits and where we come from. We shared why we are all special. We focused on Asia and learned about each other’s languages like Urdu and Punjabi.”

Atal- 4CD- “We have been learning about Jamaica and we have learnt about their food and facts. Jamaica is in the Caribbean. I enjoyed culture week because I have learned about other people’s culture. I am from Afghanistan in the continent of Asia.”
