

PRINCIPAL'S MESSAGE

Welcome back to a new term! A huge well done to all the children who took part in the Easter challenges organised by our Maths Lead, Mr McElwee, and our English Lead, Mrs Gray. The participation was much better than the previous terms. The results are shown in the following pages. Can I please urge parents to ensure that their children are logging in to TTR, Bug Club, Spelling Shed, MyOn, Mymaths as these resources are to build on the children's learning, so they have a good foundation in order to develop their knowledge and skills further. Also it gives the teachers and classmates a real boost, as this is a joint effort and they are then able to enjoy the rewards collectively. I would also like to thank Mrs Gray for the English survey she had devised and posted on Google Classroom. The feedback we received from pupils help us to review and shape our teaching and learning curriculum. Have a good bank holiday weekend!
