

PRINCIPAL'S MESSAGE

End of a very unusual term—lockdown for 9 weeks, remote live teaching and learning, back to school, teachers identifying the gaps in learning, children completing their termly tests, marking, feedback, Easter celebrations, etc! Most importantly we, the LFPA family of staff, children and parents have survived a national lockdown together—well done everyone!

Please join me in wishing our Reception teacher Miss Viridy of Grasshopper class a memorable wedding during the holidays and we will be welcoming her back as Mrs Johal. A big thank you to our cleaner, Miss Ryder who is leaving us to move on to another job nearer home. Another big thank you to our caterers, Pabulum for their donation of cookies to all our children.

I would like to wish all staff, children and parents a Blessed Easter. We would also like to acknowledge our Sikh families who would be celebrating Baisakhi during the holidays. For our Muslim families we would like to say all the best with the fasting for the month of Ramadan which also starts during the Easter break.
