

PRINCIPAL'S MESSAGE

Hello everyone! As the days are getting colder can I request that parents/carers please ensure that your child/ren come to school with their coats, gloves and hats to keep warm. I am most impressed by the parents/carers who ensure their children come to school for their morning boosters or stay behind for after school ones too. The teachers and support staff are extremely committed and volunteer their time for these booster sessions so it makes me really proud that the whole of Lake Farm Park Academy and it's community are **Learning, Achieving, Aspiring Together!** As the festive season draws near, I can only imagine Christmas must be on the minds of not just the children but also the adults, because it will be very different this year due to the pandemic and safety measures we all must take to keep everyone safe. A programme of activities and expectations will be published on the website, App and on Google Classroom next week. Finally I would like to extend our warm welcome to new members of staff - Ms Sharma (Year 1 classteacher) to replace Ms Panesar who is moving on to pursue music teaching; Mrs Mirashi, Mrs Patel and Mrs Siddiqua as LSA support. **MS BUTTAR**

Lake Farm Raffle Tickets for Virtual Raffle

We will be doing a Virtual Christmas Raffle Assembly for our children to enjoy on Tuesday 15th December 2020.

Prizes Include:

Toy Hamper worth over £100! **Perfume** **Amazon**
Vouchers
Dance Class Voucher **Chocolate Hamper** **Class**
Circus Workshop
BMX Cycling Session Food Hamper **PE Kit with a Free Summer Camp Voucher**

We need your help to sell as many tickets as we can so that we can fundraise for school activities such as pupil refreshments for exam weeks, curriculum workshops and playground equipment.

Your child has been given a strip of tickets, attached to this letter, we would really appreciate if they can sell these tickets and join in this activity. **If every pupil and staff member fundraises £2 then this will be over £1,000 raised for our children!**

Raffle tickets are sold at 50p a ticket or £2 for the whole strip.

The number goes to the person buying the ticket and you keep the duplicate number to return to school.

On the duplicate number you keep, you must write the person's name who brought the ticket and their contact number.

Each child has been given 1 strip but if you and your child can sell more then please ask the class teacher or Miss Dickerson for some more strips!

All tickets need to be returned to School by 7th December 2020. Please hand tickets to your class teacher with the funds raised in an envelope with your child's name and class on it. We want to encourage our children to use their business skills during this activity so there will be an Amazon voucher (awarded in the Virtual Raffle Assembly) to Lake Farm's best 'Apprentice Fundraiser' as well as a Free Sports session for the class, which raises the most!

Good luck with the Fundraising!
