

## PRINCIPAL'S MESSAGE

Hi everyone, a big social distanced wave to all the children and parents at home! It has been lovely seeing the growing number of Nursery, Reception and Year 1 children adapt and learn the new routines of social distancing in school, so we can all keep safe. The children have mastered the expectations of washing their hands regularly, working in their allocated space, using the given tray of resources and learning materials, and keeping to their groups with 2 metres apart from one another at all times. I would like to share a few parents' positive feedback about the new routines—"As a parent I was worried how my child would adhere to social distancing, but Jacob has adapted very well to this. He has settled back into school really well, and he enjoys coming to school", Miss King.

"Millie has enjoyed coming back to school, she always talked about her friends and how she missed them, now she is back with some of her friends, and has made new friends. Millie has adapted well with the social distancing, this has made her more aware when we are out and about", Miss McCubbins.

"I was worried and apprehensive about sending Alexis back to school, but after hearing about the measures the school has taken and put in place for our children's safety I feel more comfort now. The smaller classrooms have been appealing when deciding to send Alexis back. Sending Alexis back to school has been the best thing for her, she has made new friends and gets to see her friends again. She enjoys going to school", Mrs Church.

I am also immensely proud of the teachers for quickly adapting and acquiring new skills ie online teaching. Parents comments about home learning is encouraging—" We do appreciate the effort that's gone into keeping the kids education going during this time and giving them some structure" Mrs Moody (year 2 parent).

Finally I look forward to seeing more Nursery, Reception and Year 1 children coming back to LFPA to continue with their education.
