

PRINCIPAL'S MESSAGE

Hi everyone! As a nation we have been faced with the challenges of the Covid-19 flu virus. We have been uploading the DFE updates on this health issue on our Academy App and school website more recently so please refer to this for up to date information. After the Prime Minister's announcement yesterday we will do all we can to stay open for the children of key workers (e.g. NHS staff, police, others in frontline services) and children with certain needs. We are waiting for the government to publish more information on what this means, but it would help us in the meantime if you could let us know if you think your child may fall into one of these categories. Please email the school office on lfpaoffice@theparkfederation.org or on [02085732622](tel:02085732622). We have been working hard behind the scenes with our staff to organise home learning for our children. The home learning packs are being sent home and any parents who have not collected for their child/ren may do so from the front office. More home learning details are on our school website for each year group. Finally I would like to say a big well done to LFPA staff who have worked together and shown their commitment to our children in these unprecedented times of national and international health crisis.

We wish her all the best in her new job! We are also saying farewell to Miss Ahmed as she leaves us at the end of this term. We wish her all the best in her new job and thank her for her teaching at LFPA since September 2018.
