

LAKE FARM PARK ACADEMY

PRINCIPAL'S MESSAGE

Hello everyone! I would like to say I was most impressed by the good turnout at our school's first ever Bike it to Breakfast held on the morning of 19th October 2018. We can certainly say we are developing and making progress on our journey to a Healthy Lifestyle and Eco Friendly Academy!

Parents Forum/Phonics Workshop

There is a Parents Forum/Phonics Workshop for all parents next Friday, 9th November. Please come to this to discuss how parents can support their children with phonics at home so children can read and write really well. After this there will be a Parents Forum to discuss the Christmas Fair. We will also be planning how to plant over 270 saplings we are receiving soon from the Woodlands Trust and a great big thank you to Mrs C Jorsling-Thomas and Mrs S Barrett!

Mrs H. Buttar 12nd November 2018

The **School Library** is open for parents and children to borrow books on the following days:

We always tell the truth

We aim high

We respect each other

We all work together

Health and Safety Reminder

Please make sure that you do not walk in the staff car park area of the school grounds.

This week we have seen at least two little children crawling underneath the barriers accompanied by their parents. This is extremely dangerous as the barriers can go up and down at any moment. You are putting your children at risk of harm. Please walk from the public car park out on to the public path on Botwell Common Road and then up to the pedestrian entrance as all other visitors, parents and children do.

No NUTS in school

This no nuts policy and practise applies to all birthday treats sent in by parents. A much healthier option is for parents to send in stationery for eg. pencils, rubbers, etc; for birthday treats which the children can then take home to use.

If your child has food with nuts in their packed lunch the SMSAs will have to take the packed lunch away and give food from the school lunch to make sure your child has eaten a meal and you will be charged.

Lost property

There is now a special container for lost property which will be placed in the KS1 and KS2 playgrounds on alternate Fridays. Please look through the container, identify your child's belongings and take them home. It is easier to identify children's items if they are labelled.

£1 for 5-A-Day

As we are working towards our healthy school award, we have launched £1 for 5-A-Day for our year 3 and 4 children. Each child is to bring in £1 on a Friday and they will then be given a fruit to eat five days a week during their morning break time. Let us all work together towards this award in educating and helping our children make healthy choices.
