

# LAKE FARM PARK ACADEMY

## PRINCIPAL'S MESSAGE

Hello everyone! I would like to say I have been really pleased with how well the teachers at our Lake Farm Park Academy have embraced new initiatives really well so as to ensure our pupils have the best possible outcomes. Every morning there is a reading for inference and problem solving focus so our pupils' reasoning skills are being developed.

Two charity events that we have participated in the last couple of weeks was a great success! We raised £333.60 for Macmillan Coffee Morning and £324.50 for World Mental Health Day. I would like to thank parents for their generosity.

## Note to Parents :

Children should bring water bottles to school every day and should take it home at the end of the day. During the day if they want to refill they can do so from the school water fountains.

Every effort will be made to encourage your children to eat their lunch however we cannot force children to eat if they are reluctant eaters. Please encourage your child to eat their food.

## PARKING AND ENTRY

A huge well done to the parents in the EYFS and KS1 playground for cooperating and being good role models to our little children by standing behind the red line so children can go in smoothly and efficiently into their classrooms every morning. In KS2 playground parents have to stand behind the marked yellow lines.

Children should not be scooting or cycling in the school playgrounds as this leads to accidents in a crowded area. Also parents should not bring their pets on to the school playground as there have been concerns that a few little children have been startled or are scared of dogs.

Thank you for your full cooperation.
